Notwithstanding the foregoing, the Purchaser acknowledges and accepts that the length of time for the Purchaser's selections that occurs beyond receipt of notification from the Vendor may give rise to the need of the Vendor to exercise its unilateral right to extend the Closing in accordance with the provisions of the *Ontario New Home Warranties Plan Act*. Once the selections have been initially made, there will be no changes in such selections permitted unless authorized in writing by the Vendor and the cost of any change shall be \$300.00 plus HST plus any additional material or equipment costs.

- 6. Extras: Upon request and at the expense of the Purchaser, the Vendor may, but shall not be obliged to, agree to provide certain extras, custom work, upgrades, items or colours which are not included in the Purchase Price payable for the Real Property (collectively referred to as "Extras"). Extras will only be considered if the Amendment for said Extras is received prior to the start of construction of the dwelling. Any Extras exceeding forty thousand dollars (\$40,000.00) will require an additional deposit of fifty percent (50%) of the exceeded amount and is to be paid at the time of signing the Amendment. Any Extras shall be paid for by the Purchaser at the time of signing the Amendment for the said work and in the event that, for any reason whatsoever, the purchase transaction contemplated by this Agreement does not close, the Purchaser shall be liable for said Extras and all monies paid by the Purchaser to the Vendor pursuant to this paragraph shall be retained by the Vendor and the Purchaser further agrees to pay the Vendor the cost of returning the Extras to the Vendor's standard dwelling model, at the discretion of the Vendor. It is further agreed that in the event any Extras have been omitted for any reason, the Vendor, in its sole discretion, shall be entitled to complete the Extras after the Closing, or alternatively, refund to the Purchaser after the Closing, the full amount paid by the Purchaser for such Extras. In any event, the Vendor's liability hereunder shall be limited to the amount paid by the Purchaser for such Extras and this provision shall survive the Closing of this transaction.
- 7. Pre-Delivery Inspection: The Purchaser acknowledges that the pre-occupancy inspection is the only opportunity the Purchaser will have to inspect the dwelling accompanied by a representative of the Vendor prior to Closing and that if the Purchaser is arranging independent mortgage financing, any applicable lenders or their appraisers, inspectors or authorized representatives will not have access to the dwelling other than at the time of the pre-occupancy inspection (the "Pre-Delivery Inspection"). Except only for such right of Pre-Delivery Inspection, the Purchaser and the Purchaser's agents, invitees and licensees shall not enter on, upon or into the land prior to Closing, or do, or permit to be done, any work and or/supply of any material to the Land before Closing. The Purchaser shall indemnify and save harmless the Vendor and those for whom it is in law responsible, from any action, cause of action, claim, suit cost, demand, damage and/or loss which may be caused and/or contributed to by the Purchaser or any of the Purchaser's friends, relatives, invitees, workers and/or agents who enter into or on the Land whether with or without the express or implied authorization of the Vendor. During the Pre-Delivery Inspection, any items remaining to be completed shall be listed on a Certificate of Completion and Possession (the "Certificate") required to be completed pursuant to the provisions of the Ontario New Home Warranties Plan Act. The Certificate shall be executed forthwith upon such Pre-Delivery Inspection. The parties further agree and acknowledge that only items not yet completed at the time of such Pre-Delivery Inspection together with any mutually agreed deficiencies shall be listed on the Certificate and the Certificate shall constitute the Vendor's only undertaking with respect to incomplete or deficient work. The most current edition of the document entitled Homeowner Information Package, published by the Tarion Warranty Corporation will be delivered to the Purchaser at the Pre-Delivery Inspection, as a PDF on a USB key. The Purchaser shall sign and deliver to the Vendor a confirmation of receipt of the said Homeowner Information Package.
- 8. <u>Title Matters & Title Search:</u> The Purchaser agrees to accept the title to the Real Property, subject to the following:
 - such easements as may be registered on title with respect to the installation and provision of services, including telephone, hydro, gas, cablevision, sewers and water;
 - b) the provisions of any agreement entered into by the Vendor or its predecessors-in-title with TheTownship of Russell or other authority;
 - c) the covenants, restrictions and acknowledgement set forth in Schedule A which may be amended to reflect the requirements of any agreement entered into with TheTownship of Russell;
 - d) any retaining wall located on the Real Property as may be required by TheTownship of Russell or other authority to reduce the slope of the Lands; and
 - e) any further restrictions, conditions or covenants that run with the Land, provided same have been complied with.

The Purchaser is not to call for production of any title deed, abstract or other evidence of title except such as are in the possession of the Vendor and the Vendor shall not be required to produce evidence of compliance with any of the aforementioned easements, agreements, restrictions, conditions or covenants and the Purchaser shall satisfy himself with respect to same. The Purchaser is to be allowed until fifteen (15) days prior to Closing, to investigate the title to the Real Property at his own expense. If, within that time, any valid objection to title is made in writing to the Vendor, which the Vendor shall be unable or unwilling to remove, and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations in respect of such objection, be null and void, and the deposit monies paid by the Purchaser hereunder shall be returned by the Vendor without interest or deduction and the Vendor shall not be liable for any other costs or damages whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.

This includes but is not limited to additional brick to external side yard walls to enhance the streetscape and/or to comply to municipal agreements.
 - Variations in subcontractors across different sites and varying site conditions may result in house exteriors that differ from the artist renderings. the Builder cannot be responsible for results which differ from the artists renderings of elevations.
- 2. **ADDITIONAL WINDOWS** Additional windows to side elevations are subject to limiting distance as per Current Ontario Building Code and Municipal Zoning.
- 3. CAT6 The Purchaser understands that all CAT6 locations are approximate and vary from chosen locations.
- 4. **IN-WALL CONDUIT FOR AUDIO/VIDEO CABLES** The purchaser acknowledges and accepts that due to the variation in framing requirements in different parts of the Purchaser's home, conduit lengths and routing can vary. In virtually all instances of ground floor installation (i.e. above a fireplace), conduit will first travel down into the basement below the floor joists, over to the termination point and back up into the main floor. As a result, it is best to measure the length of the conduit after occupancy with a "pull wire" before purchasing The Purchaser's cables. For above fireplace installations, the conduit wall plate will be installed approximately 10" above the Fireplace Mantle, unless otherwise specified in the Client Upgrades.
- 5. **PLANS** Plans are subject to change without notice. Actual usable floor space may vary from the stated floor area. Layout for the services, kitchen, furnace, HWT and laundry tub may vary from plan. Vertical and horizontal bulkhead, which are not shown on plan, may be required for plumbing and heating runs. E.& O.E.
 - For townhomes, Purchasers Agree to sign an exterior block plan layout when available. Purchaser(s) acknowledge that rooflines may be altered at this time from the brochure due to block assembly.
- 6. **INVENTORY AND MODEL HOMES** Purchaser(s) Acknowledge And Accept That All Interior Colours And Wiring Have Been Selected And Installed By The Vendor And Will Remain As Installed. (Ie: Cabinetry, Flooring And Paint Colours But Not Limited To.)

U	(2k			(FN
Purchaser	Purchaser	Purchaser	Purchaser	Vendor

- 7. **SELECTIONS AND APPOINTMENTS** All colour and material selections are to be made from Vendor's standard samples unless otherwise paid for as an upgrade.
 - In the event the work on the house has progressed beyond the point where the items covered by these invoices cannot be installed without entailing any unusual expense, then this order is to be cancelled and any deposit paid in connection with the same is to be refunded to the purchaser.
 - The vendor will undertake to incorporate the work covered by the sales extra in the construction of the house but will not be liable to the purchaser in any way, if for any reason the work covered by the extra is not carried out. In that event, any monies paid in connection with the same shall be returned to the purchaser.
 - It is understood and agreed that if for any reason whatsoever the transaction of Purchase and Sale is not completed, the total cost of extras ordered are not refundable to the Purchaser(s). Extras or changes will not be processed unless signed by the Vendor. These extras may not be amended without the written consent of Valecraft Homes.
 - The Purchaser(s) acknowledge and accept that failure to finalize the structural or colour selections by their cut-off date may result in a delay in construction and the builder has the right to extend the closing date. Due to failure to complete the abovementioned selections and at no fault of us, the builder reserves the right to hold The Purchaser responsible for a delayed closing, including charging extra administration cost and interest on the balance due on closing.
- 8 **ADMINISTRATION FEES** Purchaser(s) Acknowledge That An Administration Fee Will Be Charged For All Change Orders Received after the cutoff date. No estimates or orders will be accepted once construction has commenced.
 - Should a refund be requested on any extras purchased, an 80% reimbursement of the purchase price will be given. (a \$50.00 minimum charge and a maximum \$250.00 charge will apply.)
 - The purchaser acknowledges and accepts that ANY changes made to upgrades after signing the 680's are subject to a minimum administration fee of \$300.00. PLUS a 10% holdback fee.
 - Purchasers are aware that any request to add a percentage of upgrades from the 680's will be processed only after the builder receives approval letter from the bank.
- 9. **GENERAL** The purchaser understands that all decorator items: furnishings, appliances, draperies, painted colour walls, floors, wallpaper, panelling, alarm system, and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price. Service location of hot water tanks, furnaces, air conditioning, basement wall height, specifications and material finishes may vary from model homes/plans.
 - The number of steps required at entrances into the home and the garage entrance may vary from the model home/plans depending on individual lot grading requirements. Due to these steps, exterior railings may be required. Purchaser(s) acknowledge the requirement to install an approximate 3' x 3' landing with stairs at the garage entrance to the house as a result of the 2006 Building Code Requirement OBC 9.8.6.2. if 3 or more risers are required as a result of grading.
 - Basement window wells may or may not be required depending upon individual lot grading requirements.
 - Zoning bylaws specify maximum driveway widths which are based upon frontages. A tapering of The Purchaser's driveway may be required depending upon the frontage and specifically if the frontage is less than average as in the case of a pie-shaped lot.
 - The grading and drainage of The Purchaser's lot has been designed and engineered to ensure that surface water is directed away from The Purchaser's home and into swales. These swales run at the side and rear of The Purchaser's property lines. Swales generally have more aggressive slopes relative to the general lot and will always occupy a portion of the useable space of The Purchaser's lot to serve their function properly.
 - Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).

 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date - By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates - By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - the Purchaser and Vendor agree that the amendment is entirely voluntary the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates:
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates - Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. O Yes O No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (I) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that:
 (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (I) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code - Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.

Revised: January 1, 2024

(b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Initial	Initial	Ds
H	ZK	FN
Purchaser	Purchaser	Vendor

- the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
- (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
- (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b)The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed Information visit **tarion.com** and log into our online learning hub at **www.tarion.com/learning hub**

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

 Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

Important Next Steps

NON RESILIENT FLOORING WAIVER

for

HARDWOOD FLOORING

Hardwood flooring is both a practical and elegant flooring option suitable for use in many areas of the home.

Increasingly however inquiries into the use of hardwood flooring in non-conventional areas of the home such as kitchens have prompted a need to forewarn and to heed caution to this optional upgrade.

Valecraft Homes (2019) Limited recommends strongly against the use of hardwood flooring in unconventional areas of the home such as the kitchen areas due to the natural absorption properties of hardwood when in contact with water or high-humidity areas. Hardwood flooring which has taken on water or excessive moisture will cup and/or buckle and ultimately prove to be costly to repair.

It is for this reason that VALECRAFT HOMES (2019) LIMITED will not guarantee nor provide warranty beyond manufacturing defect for installation of hardwood flooring in any of the aforementioned areas.

Should you decide to proceed against the Builder's recommendations, extreme caution and care must be taken not to leave any standing water on these floors for any length of time. All other care and maintenance instructions with respect to hardwood flooring must further be followed.

Buying a newly built home?

This guide explains the most important things to know about your new home warranty.

Whether you're buying your first home, your next home or an income property, a home is one of life's biggest investments.

The new home ownership journey can be exciting, but it doesn't always go as planned.

As part of Ontario's new home warranty program, your builder's warranty protects you from specific financial losses and construction defects, but getting the home you were promised also means knowing your rights and responsibilities.

As an independent, non-profit, consumer protection organization, our team at Tarion is here to help. We've supported thousands of homeowners like you in understanding their home warranty coverage and navigating the claims process.

Until the day you get your keys, and throughout your seven-year warranty period, think of Tarion as your partner in protecting your new home.

About Tarion

In Ontario, most newly built homes come with a warranty that's provided by the builder and supported by Tarion, an independent, not-for-profit organization established by the provincial government.

At Tarion, we believe that every new home buyer deserves the peace of mind that they're getting the home they were promised. Our role is to ensure that Ontario's new home buyers receive the coverage they're entitled to under their builder's warranty.

We support homeowners by:

- Providing the MyHome online portal, which helps you manage your warranty and report defects to the builder and Tarion
- Facilitating fair dispute resolution between homeowners and builders, related to warranty coverage, repairs or customer service
- Assessing claims to determine if they're warranted, either through an on-site inspection or an alternative method of investigation
- Stepping in when a builder fails to address a valid warranty claim, resolving the claim directly with the homeowner either through compensation or repairs by a third party
- Managing a guarantee fund to protect new home buyers, which covers compensation for warranty claims

Here for you at every stage of your new home warranty journey

We offer tools, resources and guides to help you understand your new home warranty and navigate the claim process with confidence – if and when you need it.

Your builder's role

Your new home warranty is provided by your builder, and they are responsible for:

- > Ensuring that your new home is built properly.

 This means that it's constructed in accordance with Ontario's Building Code, is fit for habitation, and is free from defects in work and materials and major structural defects as set out under the statutory warranty
- Providing you with information about your warranty coverage at the time of your purchase
- Conducting a pre-delivery inspection (PDI) with you, on or before the closing date and explaining how the various systems in your home work
- Providing you with a warranty certificate upon your home's completion, which indicates when your new home warranty takes effect

Making a warranty claim

Who does what?

Claims begin with you and your builder

Your builder's role: as the provider of the warranty, your builder is responsible for resolving warranty claims directly with you. They are required to resolve your warranted items, regardless of whether you ask Tarion for help.

Your role: You must notify your builder when an issue arises and give them an opportunity to review it and address it.

As part of this process, you will need to give them access to your home to make any necessary repairs.

Tarion's role: Tarion can help in the warranty claim process if your builder fails to resolve your claim, or there is a dispute about whether an item is covered by the warranty. We can assess your claim and, if it's covered by the warranty, ensure that the issue is resolved.

To be eligible for Tarion's assistance, you must report your warranty claim within the relevant warranty timeframe. Use the MyHome portal to keep track of your warranty due dates.

Managing your warranty claims

It's easy!

Tarion's MyHome online portal is an easy-to-use and convenient way to manage your warranty claims.

Use MyHome to:

- > Stay up to date with important warranty timelines
- Submit warranty claims to both your builder and Tarion simultaneously
- > Request Tarion's assistance if you need it

We recommend that you register for MyHome as soon as you take possession of your new home.

Register for MyHome at Tarion.com.

Your pre-delivery inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you. The PDI's main purpose is to make a note of items in your home that are damaged, missing, incomplete, or not working properly. It's also an opportunity to learn how to operate and maintain parts of your home, like the ventilation, plumbing, and heating systems.

The PDI form

The PDI form is a formal record of your home's condition before you take possession, and may be used as a reference for future warranty requests. During your PDI, your builder will use it to note any items of concern and give you a copy for your records.

If warranted repairs are required

Your builder is required to address any items noted on your PDI form that are covered under the warranty as soon as possible. If necessary, you can ask Tarion for assistance in getting these items resolved.

If items of concern aren't corrected

If your builder doesn't address items identified on your PDI form, and you'd like to get Tarion's help through the warranty program, you'll need to complete a warranty claim form.

Use the MyHome portal to complete and submit your warranty claim forms and keep track of important dates.

What's next?

You've bought it - now own it

Protection is a shared responsibility. Visit Tarion.com to take 3 important next steps:

- **1. Learn more** about the warranty coverage you're entitled to, and your responsibilities as a homeowner.
- Get ready for your PDI with a PDI checklist, videos and other resources at Tarion.com.
- 3. Be prepared by registering for the MyHome portal at Tarion.com. After you take possession, this will help you file a warranty claim and ask Tarion for help if you need it.

RESIDENTIAL WATER HEATER AGREEMENT

LOT #:PSA PH1 Lot 8

Current Calendar Year Rental Rate:

\$61.92

Water Heater Model: Envirosense 50100

- 1. Commitment. "Our", "us" "we" or "Enercare" means Enercare
 Home and Commercial Services Limited Partnership. Our commitment
 to you, our rental customer, ("you", "your" or "customer"), is to provide
 you with a reliable, trouble- free water heater in accordance with this
 Residential Water Heater Agreement (the "Agreement"). The water
 heater ("Water Heater") you rent from us, as set out above, is backed by
 Enercare to the extent provided in this Agreement.
- 2. Term. The term of this Agreement commences on the date you agreed to this Agreement (which is the same as the date of your agreement of purchase and sale for the home). The term of the Water Heater rental ends if this Agreement is terminated by you or us in accordance with its terms (which, for greater certainty, includes you exercising your buyout option in accordance with the terms of this Agreement) or when the useful life of the Water Heater has ended. The useful life of the Water Heater ends when Enercare or its authorized service provider determines, having regard to the relevant factors, including without limitation, the age of the Water Heater and the cost of any repairs to be made to the Water Heater. For greater certainty, you do not have any right to subsequently request a different water heater than the one you rent from us under this Agreement.
- **3. Our Obligation to You.** Our obligation to you is to service and repair the Water Heater with no service charges or parts replacement charges **except** in the following circumstances:
 - a) if you (or a third party not authorized by us) alter, modify, adjust, damage, service, repair, move or disconnect, the Water Heater;
 - b) if service or repairs to the Water Heater are necessary because the Water Heater was used for an unintended or unauthorized purpose, including non- residential purposes;
 - c) unless you are paying our hard water rental rate, if the Water Heater requires de-liming, flushing or other repair due to water conditions or the quality of the environment in which the Water Heater is situated.
 For greater certainty, Enercare determines hard water conditions. In such situations, we cover only diagnostic work;
 - d) where venting, piping, wiring, plumbing, ducting and/or electric services requires cleaning, repair, replacement or installation, including to meet applicable laws or installation requirements;
 - e) where re-setting is required due to FVIR "lock-out" as described below under "Customer Advisory";
 - f) if you fail to maintain the Water Heater in accordance with the requirements set out below under "Customer Obligations Safety"
 - g) for service charges or parts replacement related to the use of load control devices, peak savings, load timers and all other energy saving devices; or
 - h) if you fail to notify us as described below under "Customer Obligations Duty to Maintain".

Should you require assistance, our 24-hour per day, 7 days per week emergency phone number is **1-844-enercare**. Should we update this phone number, the updated number can be found on the Enercare website at www.enercare.ca.

- $\textbf{4. Customer Obligations.} \ \ \text{In return for fulfilling our obligations to you, you agree that:} \\$
 - a) Rental Charges The rate on the date of this Agreement for your monthly rental charge is indicated above. You will be responsible for paying rental charges from the date the Water Heater is installed or, if you purchased the premises after the Water Heater was installed, from the closing date of the purchase. We may increase our rental rates on January 1 of each calendar year by a percentage up to the percentage increase to CPI plus 2%. For the purposes of this Agreement, "CPI" means the All-items Consumer Price Index (not seasonally adjusted) for Ontario or the equivalent thereof, or any comparable successor index thereof, published by Statistics Canada in October in respect of the immediately preceding September to September period, or by any other equivalent or duly authorized department of the Government of Canada (for clarity, the Consumer Price Index in Canada is expressed in terms of 2002 = 100). We will notify you of any such rental rate increases in advance in bill inserts, by letter or by any method permitted by law. b) Payment of Charges - You will pay your charges billed under
 - this Agreement when due. You agree to pay HST and any other taxes payable in connection with this Agreement. Your charges may be included on your utility bill, or we may choose to bill you separately or through our service provider. Acceptable methods of payment, which currently include pre-authorized payment, payment by cheque, by telephone or in person, or online banking, will be set out on the bill you receive. Should any payment be returned for non- sufficient funds ("NSF"), you agree to pay a NSF charge of \$25. A late payment charge will apply to all overdue amounts on your bill, including applicable federal and provincial taxes. The rate for late payment charges is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your bill is due on the date indicated on the bill.
 - Late Payment Charges on your Enbridge Gas Distribution ("EGD") Bill (applicable only if your charges are included on your EGD bill) A late payment charge will apply to all overdue amounts on your EGD bill, including applicable federal and provincial taxes. The late payment

SK

- charge will be calculated and applied as approved by the Ontario Energy Board ("OEB"). The current OEB- approved late payment rate is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your EGD bill is due when you receive it, which is considered to be three days after the bill date. If you do not pay your bill in full by the late payment effective date on the first page of your EGD bill, a late payment charge equal to the late payment rate multiplied by a total of all unpaid charges will be added to your EGD bill.
- c) Access You will provide us with timely access to the Water Heater whenever required by us to perform our obligations or exercise our rights under this Agreement.
- d) Safety You will use the Water Heater safely and responsibly. In particular, you will:

 - iii) we may inquire about your credit history and, if necessary, use the personal information you have provided to us to do so. For greater certainty, you authorize any credit reporting agency to give us credit or other personal information about you from time to time during the term of this Agreement. You agree that the Water Heater will remain personal property even though it may become affixed to the premises. You agree to keep the Water Heater free of all liens, security interests, mortgages and other claims.
- 5. Sale of your Home If you sell or otherwise transfer the premises, you are required to inform the transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the rental Water Heater installed in the premises. We will permit the transferee to assume your rights and obligations under this Agreement, effective from the date of sale or transfer; provided that:

Unless and until these conditions are satisfied, or unless Enercare otherwise waives any or all of these conditions, which we are under no obligation to do, you will remain responsible for the Water Heater rental and your obligations under this Agreement, including making all rental payments. You hereby authorize us to respond to information requests relating to your account made by or on behalf of the transferee. 6. Customer Advisory. The Water Heater may be equipped with flammable vapour ignition resistant ("FVIR") technology. Enercare encourages you to read the Water Heater Use & Care Manual provided to you upon or after installation of the Water Heater. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to "lockout" the Water Heater causing it to no longer function until reset by a qualified service technician. Resetting the Water Heater caused by FVIR "lockout" is not covered by Enercare under this Agreement and, if applicable, you will be charged for both parts and labour at our then current rates.

7. Warranties and Liability.

- a) Warranties We make no representations, warranties or conditions as to the performance of the Water Heater except for those which are given by statute and which you cannot waive and except any express warranties provided by the manufacturer of the Water Heater, except as provided below. Subject to you carrying-out your obligations under this Agreement (including those under "Customer Obligations") and subject to the limitations set out under "Liability", we hereby warrant that the Water Heater will work and provide hot water, and will not leak or rupture, for the term of this Agreement, reasonable wear and tear excepted. We are not the manufacturer of the Water Heater and we are not making any warranty or guarantee in respect of it, the supplier or the manufacturer of the Water Heater, including whether the Water Heater is suitable for you, except as provided above. Any warranties or guarantees provided under applicable legislation are hereby excluded to the extent permitted by law.
- b) Liability Except as otherwise expressly provided in this Agreement, we will not be liable for any loss, damage or injury of any type (including as a result of water leakage or any electrical or natural gas related events) arising out of or related to this Agreement or caused or contributed to in any way by the supply, installation, use and/or operation of the Water Heater. We shall not be responsible for any indirect, incidental, special or consequential damages, even if reasonably foreseeable. If we are unable to perform any of our obligations under this Agreement because of circumstances or events beyond our control, we shall be excused from the performance of such obligations for the duration of such circumstances or events and we shall not be liable to you for such failure to perform.
- c) Indemnity You will indemnify us from all claims, losses and costs that we may suffer or pay or may be required to pay, including legal expenses, in connection with this Agreement, including its termination or enforcement, or the supply, use and/or operation of the Water Heater including any claims against us for any injury or death to individuals or damage to property, including from your negligence or misuse of the Water Heater. This obligation survives the termination of this Agreement for any reason.
- d) Insurance During the term of this Agreement, you are responsible for any loss or damage to the Water Heater from any cause, whether or not insured, until all of your obligations under this Agreement have been fulfilled.
- 8. Personal Information About You. We collect personal information about you in order to establish and manage our, and our authorized service provider's, business relationship with you. We won't knowingly share this information with third parties without your permission, other than to service providers, parties that provide us with credit information, parties to whom we transfer, assign, encumber or otherwise dispose of this Agreement or the Water Heater or otherwise in accordance with our Privacy Policy which is available at enercare.ca/privacy-policy or can be obtained from our Privacy Officer. We may record our telephone conversation with you and disclose the recordings to achieve the purposes set out in this section.

You may contact our Privacy Officer to discuss any questions or concerns related to the Privacy Policy, how your information is being handled, or

9. Termination

Termination by Us – If you fail to meet any of your obligations (including payment obligations) set out in this Agreement, you agree that we may terminate this Agreement and bill you for the applicable buyout price and on the other terms set out below under "Termination – Termination by You". You agree to pay the buyout price when invoiced by us.

Termination by You – Your sole method of terminating this Agreement prior to the end of the useful life of the Water Heater is to purchase the Water Heater. You may purchase the Water Heater at any time for a buyout price that reflects, among other things, the unpaid cost of the Water Heater and related installation, finance and servicing costs, which buyout price can be found on our website. You can also confirm the buyout price by calling an Enercare Rental Specialist at 1-877-334-1846. You may exercise your buyout option by notifying us in writing or by calling an Enercare Rental Specialist at 1-877-334-1846.

When you exercise your buyout option, you accept the Water Heater in an "as-is" condition, subject to the balance of any transferable manufacturer's warranty, and you assume full responsibility for the Water Heater and its repair and maintenance. You also agree to pay the buyout price when invoiced by us.

Once payment has been received for the buyout price, and no other amounts are outstanding pursuant to this Agreement, this Agreement will end for the Water Heater and, as set out more particularly below in the section called "End of this Agreement", you will have no further obligation to pay rent and we will have no further obligation to you.

- **10.** End of this Agreement. At the end of this Agreement (for whatever reason):
 - a) Rent you are not obligated to rent and we are not obligated to supply replacement equipment (including a water heater), unless we mutually agree at the time and enter into a new water heater rental agreement.
 - b) Replacement Enercare is not responsible for replacing the Water Heater or re-connecting any ancillary or other equipment including without limitation venting, piping, plumbing, wiring, ducting, and/or electrical services.
 - c) Removal and Disposal if the Water Heater has reached the end of its useful life and we are not installing a replacement Water Heater, you shall at such time own the Water Heater, and if you wish for us to disconnect and/or dispose of the Water Heater, you must contact us by calling 1-877-334-1846 to make such arrangements. We will charge you in accordance with our then current fee schedules for removals or disposals.
 - d) No Further Obligations you will have no further obligation to pay rent (other than rent owing prior to the end of this Agreement) and, subject to any statutorily mandated requirements, we will have no further obligations of any kind or manner to you.
- 11. Assignments. We may transfer, assign, encumber or otherwise dispose of all or any part of our interest in this Agreement and/or the Water Heater to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against any transferee any claims, defences, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against us. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Water Heater without our prior written consent (see the section called "Sale of your Home").
- 12. Invalidity of Provision. If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent of this Agreement.
- **13. Governing Law.** This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and federal laws of Canada applicable therein.
- **14.** Entire Agreement and Amendments. You understand that this Agreement is the entire agreement between you and us and supercedes all prior agreements, understandings or discussions, whether oral or written, and there are no warranties, representations or other agreements except as specifically set out in this Agreement. This Agreement may be amended from time to time by us by notice in bill inserts, by letter or by any method permitted by law in which case you will have the option to not accept such amendment and retain this Agreement unchanged.

Section F - Rebate calculation (complete only one of Parts I, II, or III, whichever applies)

You are **not** entitled to claim a GST/HST new housing rebate for some of the GST or federal part of the HST and you **do not complete** Section F if any of the following apply to you:

- your application type is 1A or 2 and the purchase price of the house is \$450,000 or more;
- your application type is 1B or 5 and the fair market value of the house (building and land) when possession was transferred to you was \$517,500 or more (in some cases a lower value may apply to restrict the rebate); or
- your application type is 3 and the total amount paid for the share in the co-op is \$517,500 or more (in some cases a lower value may apply to restrict the rebate).

If the above situations **do not apply** and you meet all of the other GST/HST new housing rebate conditions, you may be entitled to claim a GST/HST new housing rebate. Complete Section F. General information

Who should complete this form?

Use this form to claim your new housing rebate if you bought a new house (including a residential condominium unit or a duplex) or a share of the capital stock of a co-operative housing corporation (co-op). The house must be the primary place of residence for you or a relation. If more than one individual owns the house or share, only one individual can claim the rebate. Partnerships (even if all the partners are individuals) and corporations that buy new houses are not entitled to claim this rebate. An individual cannot claim this rebate if a partnership or a corporation is also an owner of the house.

Do not use this form if you built or substantially renovated your house or hired someone to do so. Instead, use Form GST191, *GST/HST New Housing Rebate Application for Owner-Built Houses.*

If you purchased this house as a rental property, use Form GST524, GST/HST New Residential Rental Property Rebate Application.

For more information on the conditions that apply for each rebate type, see Guide RC4028, GST/HST New Housing Rebate.

If the application is signed by someone other than the claimant, you must attach a properly executed power of attorney to this form.

If your house is located in a province that offers a provincial new housing rebate for some of the provincial part of the HST and you qualify for that rebate, you also need to complete the appropriate provincial rebate schedule to claim the provincial new housing rebate.

Note

If you previously purchased a new house and received a new housing rebate you were assigned a business number for tracking purposes (nine digits followed by RT0001). Use the same number for this application.

Documentation required

If your application type is 2, 3, or 5 in Section C, you must send us this form along with the following documents:

- a copy of the statement of adjustments; and
- for a mobile home, a copy of the invoice.

Note

You are not required to submit proof of occupancy with your application. However, you may be asked to provide proof of occupancy later.

Do not send us the agreements for the purchase of your house. Keep them for six years in case we ask to see them.

Note

If you choose not to file your application online when claiming a Type 1A or 1B rebate, you must send us a copy of this form. Do not send supporting documents with this form when claiming either of these rebates, but keep them in case we ask to see them later.

When should I file my claim?

Generally, you have two years from the date ownership of the house is transferred to you to claim the rebate.

For an individual claiming this rebate, use the chart below to identify the correct tax centre to send your completed form and any applicable provincial rebate schedule.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Valecraft Homes (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Valecraft Homes:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.
