KitchenAid

36" 5-Burner Gas Cooktop with Griddle

KCGS956ESS

Five burners and a removable griddle give the 36-inch gas cooktop the power and versatility challenging recipes demand. The 20K BTU Professional Dual Ring Burner is among the most powerful in the industry, and our innovative Even-Heat™ Torch Burner provides even coverage to ensure proper heating without scorching.

20K BTU Professional Dual Ring Burner
Allows you to go from one small flame for precise simmering to a dual flame for powerful boiling, all on the same burner.

14,000 BTU Even-Heat™ Torch Burner
Features an exclusive design that provides a small flame for delicate simmering and a larger one that distributes high heat across the whole pan for even cooking.

5,000 BTU Even-Heat™ Slimmer Burner
Protects the cooktop from stains that may occur with high temperature cooking. The permanent finish makes it easy to wipe clean without harsh chemicals so it looks clean, bright and beautiful even longer.

CookShield Finish
Prevents the cooktop from stains that may occur with high temperature cooking. The permanent finish makes it easy to wipe clean without harsh chemicals so it looks clean, bright and beautiful even longer.

44 dBA Dishwasher in PrintShield™ Finish with FreeFlex™ Third Rack

KDTM404KPS

Keep up with the table you use from grip to table with this dishwasher's three racks of versatile loading possibilities and complete wash coverage. The FreeFlex™ Third Rack fits glasses, mugs, bowls, silverware and cooling tools, leaving up room below for pots, pans and mixing bowls. The Advanced Clean Water Wash System circulates clean water to dishes in all three racks.

FreeFlex™ Third Rack

The largest third rack available has a deep, angled design that fits 8" glasses, mugs and bowls. It features rotating wash jets to clean items in the rack, a drying bar with slots that help with moisture of glasses and a removable utensil tray for cooling.

44 dBA

Provides quiet cleaning without compromising performance, so there's no need to wait to eat a wash cycle while entertaining and enjoying meals, even in open concept kitchens.

Advanced Clean Water Wash System

Uses microfiltration to continuously remove food particles during the wash and rinse cycles and circulates clean water to dishes in all three racks. This allows dry cookware and delicate glassware to be washed together in the same load.

6" vent opening

KitchenAid®

36" Wall-Mount, 3-Speed Canopy Hood KWB6600SS

The power of this 36-inch vent hood effectively vents most cooking surfaces. One of the premium features of this vent hood is auto speed sensing that adjusts fan speed to help protect cabinets from potentially harmful steam, grease, and odors. The sharp, glass-touch display showcases easy-to-use touch controls.

30" Combination Wall Oven with Even-Heat™ True Convection (Lower Oven)

KOCE500ESS

This 30" Combination Wall Oven with Even-Heat™ True Convection provides consistent heating and even cooking. A unique base-to-top design and convection fan helps ensure there are no burnt edges or under cooked centers. Its upper Microwave Convection Cooking Oven combines a 900 watt microwave with a 1600 watt convection element for high speed cooking.

Even-Heat™ True Convection Oven (Lower oven)

Produces faster results. The unique base-to-top design and convection fan ensure the inside of the oven is heated to, and stays at, the perfect temperature.

Microwave Convection Cooking (upper oven)

Combines the power of a 900 watt microwave with a 1600 watt convection element to increase the speed of cooking and provide a secondary convection option.

Professionally Inspired Design (VIBL Light)

Combines a food lined interior of professional inspired styling with sleek touches for the home. The beautiful built-in wall oven features Soft-Touch Handles and the KitchenAid badge, a symbol of uncompromised quality.

Temperature Probe

Allows accurate measurement of internal temperatures of meats, poultry, and casseroles without having to open the oven so that food can be cooked perfectly.

23.8 cu. ft. 36" Counter-Depth French Door Platinum Interior Refrigerator with PrintShield™ Finish

KRRC70MFP8

The largest capacity counter-depth refrigerator in its class features PrintShield™ finish to resist fingerprints outside and flexible storage options inside. A side-swing shelf extends to let doors, and full-extension soft-close drawers and custom temperature safety let you store more and live a easier.

Under-Shelf Prep Zone
Utilize empty space beneath the shelf to create a prep zone ideal for dough, veggies or marinating meats. 6" x 12" x 2" slide out pan is oven- and dishwasher-safe, and easily transitions from fridge to oven so you can stay in the creative flow.

Slide-Away Shelf
Features a versatile design that allows three-quarters of the shelf to retract to accommodate taller items. The shelf is fully extendable at 14 1/2 inches. This flexibility offers the most full-size storage space in its class and helps optimize organization.

Full-Extension Soft-Close PrintShield™ Crispers
Maintain optimal humidity levels to keep leafy produce at peak freshness. Brightly lit drawers open fully so you can see and easily locate all your items.
