Notes	

Features

Body Construction

Fully sealed heavy duty injection molded plastic housing with frosted glass lens. Lens sealed with silicone to prevent any intrusion of water or other contaminants.

Light Output

Powered by a 2-watt Epistar® SMD LED. Available in 3000 K and 4000 K color temperature, providing up to 145 lumen output. 120° beam spread. It maintains a color rendering index greater than 75.

Lumen Maintenance

The LED lamp reduces ongoing maintenance with 70% of initial lumen output after 50,000 hours projected LED life.

LED Driver

Accommodates an input voltage of 100-240V AC via 9" 18AWG leads (black is hot, white is neutral/common), 60Hz,

This fixture is designed to mount directly in to standard single gang J-Boxes, 2°×4" with 21.0 cu. in. minimum volume

(with at least 11/2" inner clearance – free of any interference with device box parts) fitted with a gasket to seal against intrusion of water and other contaminants in wet locations (two containments in wer locations (two gaskets included, gasket used depends on application). Designed to be mounted horizontally or vertically, depending on faceplate design and application.

Faceplates

Optional powder-coated or electroplated cast aluminum optical faceplates available for horizontal and/or vertical mounting (refer to page 2 for available faceplate options). Available in black, brushed nickel and flat white corrosion resistant paint.

Operating Temperature -20°C ~ 40°C (·4°F ~ 104°F).

Environment

Suitable for use in wet locations. Rated IP67.

Approvals cETLus.

Description

This LED step light is designed for installation in to indoor or outdoor wall mount applications using standard junction boxes. Three optional distinct optical faceplates are available to provide unique light distribution patterns. Designed for inorizontal or vertical mounting, depending on application. Ideal for both residential and commercial applications.

Notes: Accessories should be ordered separately. For additional options please consult your Liteline representative. Due to our continued efforts to improve our products, product specifications are subject to change without notice.
