PRO3650G

FEATURES

- Advanced Air Purification Technology
- Install directly within surrounding cabinetry for built-in, or add accessory panels for freestanding
- Makes an iconic stainless-steel statement, inside and out
- Dual refrigeration technology preserves refrigerated foods with cool, moist air and frozen foods with frigid, dry air
- Easy access to food with full-extension slide-out glass shelf with adjustable gates
- Locks in temperature and humidity with soft-close door hinge and magnetic seal on doors and drawers
- Controls temperature within one degree of setpoint via intuitive exterior touch control panel
- Automatic ice maker with advanced water filtration system
- Control brightness with soft-on LED lighting that fully illuminates the cavity, making food more visible and less likely to hide
- Protects food from spoilage through triple-pane, UV-resistant glass door

PRODUCT DETAILS

DEU2450BG

FEATURES

Fully customizable exterior, accepting custom panels for an integrated look within cabinetry or stainless steel accessory panels and handles to coordinate with other Sub-Zero, Wolf, and Cove appliances

Seamlessly integrating anywhere, an undercounter beverage center adds comfort to your master suite, creates a corner for libations in the study—the options are endless

Patented, full-extension upright beverage shelf features adjustable gates that anchor contents upright and in place and fold down flat to make room for bulky items

Full-extension, multipurpose shelf offers ample storage space for bottles, soft drinks, and food

Intuitive, on-door touch control panel offers ergonomic, convenient access to settings

Cleanup is simple with nano-coated, spill-proof shelves

UV-resistant glass door protects food and beverages from harmful light that hastens spoilage

Magnetic door seals lock in cold air to ensure freshness and provide superior energy efficiency

Offers precise temperature control within one degree of setpoint, preserving wine, craft beer, dairy, produce, and other perishables at their optimal temperature

Soft-on LED lighting fully illuminates the interior when the door is open and can be adjusted to four unique stand-by accent lighting settings

Wi-Fi enabled features allow for remote temperature control, provide important door-ajar notifications, and assist with remote service diagnostics—all from your mobile device
