It is the builder's complete responsibility to ensure that all plans submitted for approval comply with the Architectural Guidelines and all applicable zoning requirements, including zoning provisions and any provisions in the subdivision agreement. The County Architect is not responsible in any way for examining or approving site (footing) plans, working drawings with respect to any zoning including code or permit matter or that a house can be properly built or located on its lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the Township.
