DATE _____ SIGNATURE _____

[illegible]

It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and all applicable regulations and ordinances including zoning provisions and any provisions in the applicable agreement. The Council Architect is not responsible in any way for assessing or approving any zoning plans or zoning changes with respect to any zoning or building code or zoning matter and that any review can be properly filed or initiated on its file.

This is to certify that these plans comply with the applicable Architectural Design Guidelines and all applicable zoning provisions.
