It is the Committee's complete responsibility to ensure that all plans submitted for approval fully comply with the requirements of the Building Regulations and of applicable regulations and requirements including working hours and any provisions in the Environmental Statement. This Committee is not responsible for the accuracy or completeness of the information or working drawings submitted by the applicant or building owner for approval or that any houses can be properly built or reduced on the lot.

This is to certify that these plans comply with the applicable Building Regulations and the Environmental Statement approved by the Township of Kent.
