 It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Connecticut Code and all applicable regulations and requirements, including permit procedures and any provisions in the applicable requirements. This Council Architect is not responsible in any way for the examining or approving any building plans or for working drawings with respect to any zoning or building code or permit number or that any house can be properly built or located on a lot.
 This is to certify that these plans comply with the applicable Architectural Code. Councilman approved by the Township of Middletown.
