[illegible]

It is the architect's complete responsibility to ensure that all plans submitted for approval will comply with the following conditions and all applicable regulations and recommendations concerning zoning ordinances and any conditions of any applicable approvals. The Architect is not responsible in any way for obtaining or approving any zoning laws or zoning regulations with regard to any zoning or building codes or zoning laws or any laws passed on any property held or located on the lot.

This is to certify that a true plan comply with the applicable Architectural Code's Guidelines approved by the Township of Clark.

ARCHITECTURAL REVIEW & APPROVAL
