 is in the Employer's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and all applicable regulations and requirements in the subdivision agreement. The Contractor is not responsible for the accuracy, completeness or appropriateness of the information submitted for review or for the interpretation or application of the guidelines. The Contractor is responsible for ensuring that the plans submitted for review are in compliance with the applicable building code or zoning ordinance and that any changes are fully properly made to the plans as required.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the Township of MONROE.
