It is the builder's complete responsibility to insure that all plans submitted for approval will comply with the Architectural Guidelines and regulations of the City of Richmond, including building regulations and any amendments to the said building agreement. Approval is not preclusive in any way for extending or changing the proposed plans, or for any other reason, and the proposed building must be permitted in accordance with all applicable laws and regulations. This is to certify that these plans comply with the applicable Architectural Guidelines approved by the City of Richmond.
