It is the builder's complete responsibility to ensure that all plans submitted for approval comply with the Architectural Guidelines and applicable ordinances and requirements including zoning regulations and set back provisions in the subdivision agreement. The Consultant Architect is not responsible in any way for reviewing or approving site (lotting) plans, working drawings with respect to any zoning, building code or permit matter or that a house can be correctly built or located on its lot.

This is to certify that these plans conform with the applicable Architectural Ordinance.
