It is the architect's complete responsibility to ensure that all plans submitted are approved and comply with the applicable codes and requirements including building practices and any provisions in the Subordination Agreement. The Consent Architect is not responsible for any provisions concerning or regarding site (existing) plans or existing structures which required to be shown on drawings (even if permitted) and for ensuring that houses can be properly built or located on the lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines registered for the Township of Afton.
