- Read and follow all instructions completely.

1. This Trim Kit is designed for use only with the Panasonic Microwave Oven listed in the table below, for installation into a cabinet.
2. The dimensions and ground clearance of the cabinet opening must be as indicated in Figure 1 on page 6 to 9.
3. For safe use of your microwave oven, do not alter or modify any part of this kit or the microwave oven.
4. The microwave oven must be used with a properly grounded 3-prong receptacle in compliance with the National Electrical code, as well as any applicable local regulations. Refer also to the microwave operating instructions for other safety and electrical requirements.
5. The microwave oven must be unplugged from the wall receptacle before attempting the installation of this kit.
6. Save these instructions for local inspection and relocation of the microwave oven.
7. Use caution so that the power cord is not pinched during installation.
8. The diagrams in these instructions may vary from the actual unit and is only for reference.

Attachments: NNTK932S 30 in trim kit specs.pdf

Hello Simone, I met with the purchasers of Lot 33N today. They have selected the Panasonic microwave and 30" trim kit. I've attached the install instructions for it.

Let me know if you have any questions.

Thanks

Wayne
