**Prism Series**  
50" Linear Electric Fireplace

BLF5051

The best-selling linear fireplace is now even better.

The best-selling electric linear fireplace just got better with the all new Prism Series. Sparkling with intensity in a full spectrum of colors, the Prism effect illuminates the diamond-like acrylic ice ember bed in a show-stopping effect. Plug-in or hard-wire, hung on the wall or built-in; the Prism Series is beautifully versatile.

### Features

- The Original Dimplex Flame Effect™**  
A blend of technology, artistry and craftsmanship that sets the standard for realism.
- Acrylic Ice Media Bed**  
Light plays through different size pieces and sparkle in a spectrum of colors.
- Media Accent Colors**  
Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.
- Flexible Installation**  
Simply surface mount and plug-in or fully-recess and direct wire for a seamless installation
- Hanging Glass Design**  
Detachable glass trim easily finishes rough openings and provides access to media.
- Remote Thermostat Control**  
Temperature control at your fingertips for convenient comfort.
- Multi-function Remote**  
Control the flame, heat and thermostat from the comfort of your chair.
- LED Lighting**  
Flame and lights use brilliant, low-energy LED's that require zero maintenance.
- All-season Flames**  
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.
- Cool-touch Glass**  
Glass remains cool making it safe for any location and any user.
- Low Carbon Footprint**  
The most sustainable fireplace option, no emissions and 100% efficient.

REVISED MAY 2021

163 - All bathrooms

APPLIANCE ACKNOWLEDGEMENT

**CONTACT: Steve Miller - Appliance Canada (905) 660-2424 / smiller@appliancecanada.com**

- It is the Purchasers responsibility to coordinate delivery, installation and hook up of appliances and to ensure they are installed as per Manufacturers specifications after closing.

STANDARD APPLIANCE OPENINGS provided by Zancor:

- \*Standard appliance openings are approximate and the minimum required. Sizes may vary due to onsite condition and/or when modifications have been made to the cabinetry.
- |                      |                            |  |
|----------------------|----------------------------|--|
| ▶ Fridge Opening     | 36" x 74"                  |  |
| ▶ Stove Opening      | 30"                        | Accepts Standard<br>Openings **Initial |
| ▶ Hood Fan Opening   | 30"                        |  |
| ▶ Hood Fan & Vent    | 6" with Under Cabinet Hood |  |
| ▶ Dishwasher Opening | 24"                        |  |

OPTIONAL UPGRADED APPLIANCES to be provided by Homeowner:

- \*\*Specs/Information sheets are required and it is the responsibility of the homeowner to provide this to Zancor Homes by the due date that has been provided. If appliance specs are not submitted, Zancor Homes will not be responsible for any necessary requirements and the standard opening will be built.**

KP

- ▶ Upgraded Appliance Specs are DUE 2 WEEKS FROM SIGNED DATE OF COLOUR CHART (if not received during appointment)

INITIAL

- ▶ \*\*\*Specs that require changes/modifications after this date will not be accepted\*\*\*

- ▶ NOTE: Any upgraded appliances are to be paid by the Purchaser, directly to the appliances company.

- ▶ Additional charges to the Purchaser may apply for cabinetry, electrical and plumbing in order to accommodate the specs given by the homeowner.

INTERIOR FINISHES ACKNOWLEDGEMENT / WAIVER

Purchaser accepts and acknowledges that the Builder reserves the right to substitute materials with those of equal or better quality where the manufacture, scheduling or delivery of materials may directly impact the Builder's ability to meet its contractual obligations under the Agreement of Purchase and Sale.

KP

**UPGRADES/EXTRAS:** All upgrades and additional selections indicated on the colour chart must be accompanied by an upgrades/extras sheet (PES) and full payment otherwise the selection will be invalid. All colour charts and upgrades/extras will not proceed until verified and signed by an authorized signing officer at the Vendor's head office. **CHANGES WILL NOT BE PERMITTED UPON COMPLETION AND SUBMISSION OF THE COLOUR CHART.**

KP

**PORCELAIN & NATURAL STONES:** Due to the properties of natural stones including but not limited to **marble, granite, quartz**, no two pieces are exactly the same. Variations in colour, tone, granularity (pitting, fissures) and pattern are to be expected, including various lighting may affect the overall finished look. Stone tops are sealed at time of installation and should never be cleaned with lemon oil or vinegar. Stones are porous materials, therefore any spilled substance require immediate attention. Stone countertops require regular seal re-application as part of home maintenance. Purchaser acknowledges colour and product variations as well as natural imperfections may exist with the selection of natural stone materials and shall not hold the Vendor liable for provision of same.

KP

**STONE COUNTERTOP JOINTS:** Purchaser is aware that one joint will be at each corner and on either side of slide-in-range (if applicable). It will also be where the length of the counter top exceeds the length of a stone slab. Slabs are usually approximately 5'x 8'.

KP

**CERAMIC TILES:** Due to manufacturing, shade (dye lots), product variations may exist that can affect the overall look of the finished product. Although every effort will be made to ensure the colours and materials selected are as close as possible to the samples, the purchaser acknowledges that the sample tiles supplied in the Design Centre may not be identical to the materials installed in the home.

KP

**STAIR STAINS:** Due to the natural properties of wood, many variables can affect the overall look of the finished product. Factors including but not limited to wood type, knotting, graining, density, age, humidity, and air temperature can result in substantial variations in stain intensity. The purchaser accepts that although the Vendor will do their best to match stain the unfinished stairs as close as possible to the pre-finished floors, it is not possible to have an identical match and that there MAY be shade differences between the two products.

KP

**CABINETRY:** Due to the natural properties of wood, slight variations apparent with cabinetry are to be expected. This includes but not limited to wood species, wood grain, colour, finish, product variations, and natural imperfections are all factors that may affect the overall look of the finished product. Such factors make exact colour matching impossible. The type and intensity of lighting in the areas of designated cabinetry placement may also highlight characteristics of cabinetry finish. All cabinets shall be finished with a white melamine interior box unless a finished interior is upgraded. Due to building specifications and/or on-site conditions, certain cabinetry upgrades may not be possible. The purchaser acknowledges that the Builder cannot guarantee the cabinetry finish or provision of certain upgrades and shall not hold the Builder liable for provision of same.

KP

**UPGRADES/EXTRAS:** All upgrades and additional selections indicated on the colour chart must be accompanied by an upgrades/extras sheet (PES) and full payment otherwise the selection will be invalid. All colour charts and upgrades/extras will not proceed until verified and signed by an authorized signing officer at the Vendor's head office. **CHANGES WILL NOT BE PERMITTED UPON COMPLETION AND SUBMISSION OF THE COLOUR CHART.**

KP

**HARDWOOD / LAMINATE FLOORING:** Due to the properties of wood and laminate, many variables can affect the overall look of the finished product. Variations include but not limited to wood type or laminate finish, colour/stain and wood grain are significant factors that make exact colour matching impossible. The purchaser acknowledges that the hardwood flooring is a pre-finished product in a controlled environment. Expansion, compression and cupping are characteristics of hardwood flooring once installed in the home. The purchaser acknowledges these may become apparent over time and despite the Builders' efforts to install the hardwood flooring materials in keeping with good workmanship, the Builder shall not be responsible nor held liable for minor variances of fluctuation in hardwood flooring materials.

KP

HARDWOOD / LAMINATE WAIVER:

I/We understand hardwood flooring is classified as a porous material and as such not recommended by the Builder in certain areas. I/We understand there is a concern due to possible water and other substances being frequently splashed or spilled onto the floor and in contravention of Ontario Building Code Section 9.30.1.2(1).

*"Finished flooring bathrooms, kitchens, public entrance halls, laundry & general storage areas shall consist of resilient flooring, felted-synthetic-fibre floor coverings, concrete, terrazzo, ceramic tile, mastic or other types of flooring providing similar degrees of water resistance.*

KP

I/We are prepared to assume full responsibility for any damage caused to the hardwood floor or subfloor due to moisture absorbency in the mentioned areas, and agree to waive any claims against the Township of residence, TARIO and/or the Builder in relation to the matter. **\*\*SEE COLOUR CHART FOR LOCATIONS\*\***
