Hi Robert,

I need to book RE/RE for Lot 17 Brampton island countertop as it is not levelled. Red stone advised they can do this July 20<sup>TH</sup>. Can you confirm I that works

74 x 90 — (ISLAND 4 LG)

Hey Giselle,

Could you book it in for July 20, 10am-12pm? We would need new image there to level their cabinets,

Thanks,

Hok

Hi Giselle,

We can't level that out, the millwork needs to be levelled first. If we shim that to level it out, it will compromise the stone and could crack in the future.
