The purchaser acknowledges and agrees to proceed forthwith with reselections in the event the original selections cannot be incorporated into the interior finishing of the home upon notice by the Builder.

Every effort will be made to ensure the materials selected are as close as possible to the samples provided, however due to variances in manufacturing and properties of natural materials we do not guarantee identical colour matching.

Variations in colour, tone, granularity (pitting, fissures) and patterns are to be expected, including various lighting may affect the overall finished look. Stone should never be cleaned with lemon oil or vinegar. The purchaser acknowledges colour and product variations as well as natural imperfections that may exist with the selection of natural stone materials and shall not hold well as natural stone materials and shall not hold the Vendor liable for provision of sam PORCELAIN & NATURAL STONES: Due to the properties of natural stones including but not limited to marble

STONE COUNTERTOP JOINTS: Purchaser is aware that one joint may be at each corner and on either side of slide-in-range (if applicable). It will also be where the length of the counter top exceeds the length of a stone slab. Slabs are usually approximately $5' \times 8'$.

TILES: Due to manufacturing, shade (dye lots), product variations may exist that can affect the overall look of the finished product. Although every effort will be made to ensure the colours and materials selected are as close as possible to the samples, the purchaser acknowledges that the sample tiles supplied in the Design Centre may not be identical to the materials installed in the home.

LAMINATE / HARDWOOD FLOORING: Due to the natural properties of wood & laminate, many variables can affect the overall took of the finished product. The purchaser acknowledges that the hardwood flooring and laminate is a pre-finished product in a controlled environment. Expansion, compression and cupping are characteristics of hardwood flooring once installed in the home. The purchaser acknowledges these may become apparent over time and despite the Builders' efforts to install the hardwood flooring materials in keeping with good workmanship, the Builder shall not be responsible nor held liable for minor variances of fluctuation in hardwood flooring materials.

This includes but not limited to wood species, wood grain, colour, finish, product variations, and natural imperfections are all factors that may affect the overall look of the finished product.
