### BLF5051

### **Features**

The Original Dimplex Flame Effect A blend of technology, artistry and craftsmanship that sets the standard for realism.

Acrylic Ice Media Bed Light plays through different size pieces and sparkle in a spectrum of colors.

Whedia Accent Colors
Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.

X Flexible Installation Simply surface mount and plug-in or fully-recess and direct wire for a seam-less installation

Hanging Glass Design Detachable glass trim easily finishes rough openings and provides access to media.

Remote Thermostat Control
Temperature control at your fingertips for convenient comfort.

Multi-function Remote
Control the flame, heat and thermostat
from the comfort of your chair.

LED Lighting Flame and lights use brilliant, low-en-ergy LED's that require zero mainte-nance.

### Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Cool-touch Glass Glass remains cool making it safe for any location and any user.

Low Carbon Footprint The most sustainable fireplace option; no emissions and 100% efficient,
