July 18  
1:00 - 3:00

Hello, their hole is not drilled. They can come Tuesday but would have to be a later time as my little one sleeps that time and gets disturbed if I get up.  
After 12 if possible ?

**Subject:** SOAP DISPENSER

Good afternoon,

We have received your soap dispenser and would like to make an appointment to have it installed for you. Can you confirm that we can send one of our service team members to your home on Tuesday, July 18, 2023 or Thursday July 20, 2023 between 8:00am to 10:00am. Remember you mentioned your parents live at lot 163B? I have also received the soap dispenser for them. Can you tell me if the hole was drilled in the countertop?

Thank you,
